PREFACE

This Rulebook constitutes the official regulation of the competition and governs the relationships between the Organization and the athletes registered for the UROBORO SUMMER COMPETITION 2027 (USC27).

Registration for the competition implies full acceptance of these rules, any supplementary communications published by the Organization, and the procedures indicated on the official registration platform.

1. THE COMPETITION

The UROBORO SUMMER COMPETITION event, in its 10th edition, is an amateur and non-professional sporting competition that will take place in Brindisi, at the LongBeach seaside facility, located in Apani (BR), Italy, on July 16, 17 and 18, 2027.

The event is organized and directed by A.S.D. UROBORO, based in Brindisi, 98/100 Via Palmiro Togliatti.

The competition aims to promote amateur sporting activity, encouraging participation, sporting competition, and the dissemination of the discipline.

2. REQUIREMENTS FOR PARTICIPATION

To be admitted to USC27 the athlete must:

have reached the age of majority at the date of participation in the competition or be authorized by the parents, providing a specific release form signed by the parent or guardian;

fully accept these rules, the provisions relating to the release of liability and the provisions relating to the processing of personal data;

register on the JUDGE RULES platform within the established terms;

pay the required registration fee;

fulfill all formalities required by the Organization, including, where provided, the production of medical certification and the indemnification documentation.

Category divisions will be assigned by the registration system based on the data provided by the athlete and the demographic criteria provided by these rules.

For Master categories, the age the athlete will reach in the year of the competition will be considered, regardless of the actual birthday. E.g., if I am 39 years old, the competition takes place in July and I have a birthday in December, I must register as Master 40.

The online qualification ranking should be considered provisional until the final confirmation of participation of the qualified athletes in the Live phase.

If one or more qualified athletes withdraw from the obtained place, the Organization will proceed with the redraw of the next athletes in the rankings according to the established modalities.

It will not be possible to request a refund of the registration fee after payment, except as expressly provided in Article 4 of these rules.

3. REGISTRATION FEES AND REGISTRATION DATES

Athlete registration for the competition may be carried out through the JUDGE RULES platform.

€ 120,00 INDIVIDUAL € 240,00 TEAM

The fee will entitle you to admission to the Live stage and to the delivery of the Athlete Kit provided by the Organization.

4. REFUNDS

It will not be possible to request refunds, for any reason, regarding the Online phase or the Live phase, except in the event of the Organization's gross fault or as otherwise provided for in these regulations.

In the event that the competition is cancelled due to not reaching the minimum number of participants required to activate a specific category or slot, the Organization reserves the right to proceed with refunding the fee, deducting any commissions and expenses incurred for registration and payment services, including those applied by the JUDGE RULES platform and the payment system used (Stripe).

5. ATHLETES ELIGIBLE FOR COMPETITION

5.1 Total number of athletes

Based on the slots provided by this regulation, the theoretical maximum number of participants in the Live phase is equal to:

684 ATHLETES

divided as follows:

324 individual athletes

192 Team

384 athletes belonging to Team categories

Therefore:

324 Individual + 384 Team athletes = 708 total athletes.

The actual number of athletes present may be lower depending on registrations, qualification validation, withdrawals and any requalifications.

If the number of athletes per category does not meet useful requirements for the execution of the single heat (50% of the lanes available), the competition organizer reserves the right to refund the registration or otherwise contact the individual athletes and place them in the closest divisions by weight and skill.

5.4 DIVISIONS AND CATEGORIES

The official categories of the competition are:

ELITE – ELITE TEAM MM/MW

It is the reference category for athletes of the highest level.

The main skills of the discipline and loads consistent with the level of competition expected for semifinals and finals are required.

- ❖ Full Skill
- ❖ Ability to manage within a workout:
- ❖ Snatch 80/55Kg
- ❖ Clean and jerk 100/70 Kg

REGULAR -

The Regular category represents the general category of the competition.

In this category, the previous names Intermediate/Regular are merged for the purposes of this Rulebook.

Regular athletes may be subjected to tests requiring possession of the main gymnastic and weightlifting skills, with loads appropriate to the category.

Where expressly indicated in the workout sheets, adjustments or scaling for more complex movements may be provided.

MASTER

The Master division is made up of the following categories:

Master 35+

5.5 TEAM

The expected Team categories are:

Elite Team;

Regular Team;

Experience Team;

Master 80 Team;

Master 90 Team.

5.6 FAILURE TO REACH THE MINIMUM NUMBER

If the number of athletes or Teams registered in a category does not allow the execution of the related heat according to organizational criteria deemed appropriate, the Organization reserves the right to:

combine the category with a technically similar category;

alter the subdivision of the heats;

proceed with a refund of the fee as provided for in Article 4;

directly contact the interested athletes to propose insertion into the division closest by age, weight and technical level.

The final decision rests with the Organization.

5.7 DISALLOWING DESKILL IN LIVE PHASE

During the Live phase it will not be possible to independently deskill a movement.

The athlete must perform the movement according to the official standard required for their category and for the individual workout.

6. NON-ACCEPTANCE CLAUSE

The Organization reserves the right, final and irrevocable, to accept or reject an athlete's registration.

The Organization also reserves the exclusive right to validate or invalidate scores submitted by athletes, according to the procedures provided by these regulations.

7. WILD CARD

The Organization reserves the right to award Wild Cards to the winners of the previous edition and to other athletes deemed deserving, whose participation may contribute to the prestige and sporting value of the competition.

The number and allocation methods of Wild Cards will be determined by the Organization.

8. ONLINE QUALIFICATIONS

The competition includes an online qualification phase aimed at selecting athletes admitted to the Live phase.

Registered athletes must complete two qualification workouts and upload the corresponding score on the official JUDGE RULES platform. On the reference social channels, together with the WORKOUT, the reference standards for the individual exercises available in the "workout sheets" will also be published.

For each workout, the following will be published:

workout;

movement standards;

flow;

execution mode;

video recording mode;

deadline for submission;

any technical specifications related to equipment.

Qualifying WOD 1

Publication: March 15, 2027 10:00

Qualifying WOD 2

Publication: March 16, 2027 10:00

Final qualification deadline

March 28, 2027 23:59

The Organization reserves the right to modify deadlines for organizational needs.

VIDEO VALIDATION

The proofs must be filmed and uploaded according to the methods indicated by the Organization.

The athlete is responsible for proper recording and submission of the video material by the deadline.

The material used must meet the standards required by the Organization.

For:

Rower;

Bike Iron Blor;

BikeErg;

SkiErg;

exclusive use of Concept2 equipment may be required, where expressly provided for in the workout sheet.

Any modification, manipulation, or alteration of the video proof will result in immediate disqualification from the competition.

VIDEO VALIDATION

The review team may assign one of the following results:

GOOD VIDEO

The athlete complies with all standards, completes the required repetitions, and the entered score is correct.

The score is accepted.

VALID WITH MINOR PENALTY

The video shows a limited number of No Reps that resulted in an improvement of the score.

A minor penalty is applied and the result is accordingly modified.

VALID WITH MAJOR PENALTY

The video shows a significant number of No Reps that resulted in an improvement of the score.

A major penalty is applied, with modification of the final result according to the criteria established by the Organization.

INVALID

The test is considered invalid if:

the workout was not performed according to the prescriptions;

there is an unacceptable number of No Reps;

the video is not evaluable;

the framing does not allow proper verification of the test;

alterations or manipulations of the video have been found.

The judgment of the judging body regarding the validation of the videos is final.

10. CHECK-IN

Check-in will take place on Thursday, July 15, 2027 from 09:00 to 20:00, at the event venue.

During check-in, the following will be issued:

Athlete Pack;

Athlete Pass;

Coach/escorts Pass.

The athlete must present:

identity document;

copy of the qualification communication;

any further documentation requested by the Organization.

If the Athlete Pack is withdrawn by third parties, a signed authorization, accompanied by:

copy of the delegator's document;

copy of the delegate's document;

copy of the qualification communication.

The athlete must also declare that they are not subject to provisional suspension from sporting activity or sanctioning measures issued by competent national or international sporting authorities.

The Organization reserves the right to carry out appropriate verifications and, if irregularities are detected, to exclude the athlete from the competition without right to a refund.

11. EVENT TIMING

The event will take place on the following days:

16 – 17 – 18 July 2027

There are 5 workouts guaranteed for all Individual and Team categories, subject to changes required by weather conditions, technical, safety or organizational reasons.

Friday 16 July

WOD 1 – All categories

Saturday 17 July

WOD 2 - WOD 3– All categories (double score)

WOD 4 – All categories

Sunday 18 July -

WOD 5 – All athletes of all categories

WOD 6 Final

The final will be conducted according to the structure and modalities established by the organization.

At the end of WOD 5, cuts will be made according to the standings, and the top 6 athletes from each category will advance to the final. The 10th edition of the UROBOROSUMMERCOMPETITION will end at 18:00.

The Organization will publish, where provided, a brochure containing:

workout;
standard;
flow;
operating procedures.

If a brochure is not published, an on-site briefing may be organized.

The briefing will be mandatory.

Athletes must report punctually to the call for their heat.

An athlete who does not attend the call cannot recover the workout in a later heat.

CUTS AND FINALS

At the end of the live qualification phase, the cuts required for categories needing a semifinal will be made.

The Organization will communicate through its official channels the exact number of athletes and Teams admitted to the subsequent stages, based on the actual number of participants and organizational needs.

The finals will take place on Sunday afternoon, July 18, 2027, and will determine the winners of USC27 for the planned categories.

12. LEADERBOARD

Each result achieved in a workout will receive a score that will contribute to the overall ranking.

In case of a tie in the final ranking, the following tiebreak criteria will be applied:

best placement obtained in the individual workouts;

total number of top placements;

best placement obtained in the final test.

Ties will not be considered in the single workout for the purpose of assigning a position, unless otherwise specified in the workout sheet.

In case of a tie in the qualification phase for the final, the best placement obtained in the workouts that determined the cut will be considered.

13. SCORING

The result obtained in the single workout will be validated by the judge.

The scoring system provides for the division of the standings into four bands.

1st tier: 400 points

2nd tier: 300 points

3rd tier: 200 points

4th tier: 100 points

The first classified in the single workout will always receive 1,000 points.

The system will determine the gap between one position and the next according to the number of athletes in the category and the tier.

Example

Category composed of 20 athletes:

$20 \div 4 = 5$ athletes per tier

1st tier: $400 \div 5 = 80$ points gap;

2nd tier: $300 \div 5 = 60$ points gap;

3rd tier: $200 \div 5 = 40$ points gap;

4th tier: $100 \div 5 = 20$ points gap.

The system will be applied according to the technical criteria set by the Organization.

14. DISPUTES

The athlete cannot contest No Reps related to:

failure to extend the elbows;

failure to extend the knees;

lack of depth of the squat;

lack of perception by the judge of completion of the repetition.

In case of dispute over the judge's assessment, the athlete must contact the Head Judge responsible for the heat.

The Head Judge or the Stage Manager may request a full video proof of the workout.

If a video review is performed, the original assessment may be reset and the workout may be re-evaluated in its entirety.

The new assessment may also take into account any additional No Reps detected during the review.

Judges are not responsible for materials used by athletes.

In case of injury, if the athlete requires medical assistance to continue competing, they must obtain the medical clearance.

The doctor, the Head Judge, or the Competition Director may order the removal of an injured athlete from the competition for safety reasons.

15. EVALUATION AND CLASSIFICATION SYSTEM – LIVE PHASE CUTS

The result of each workout will be validated by a judge.

Any observations regarding validation must be submitted by the day of competition on which the contested workout took place.

For protests related to the last day of competition, these may be submitted until the final rankings are published.

Once the rankings of athletes admitted to the final are published, no protests regarding earlier stages will be accepted.

16. BEHAVIOR DURING THE EVENT

The athlete participating in USC27 fully accepts these rules and commits to maintaining fair and sportsmanlike behavior.

Disallowed:

harassment;
threats;
violence;
offensive behavior;
intentional disturbances;
obstacles to the conduct of the race;
heated discussions with judges, volunteers, organizers or other athletes.

The athlete responsible for such behaviors may be immediately excluded from the competition.

The decisions of the Organization and the Competition Director/Head Judge will be final within the limits provided by these regulations.

Each athlete must sign their own score-card to validate the result assigned by the judge.

Any protests must be submitted immediately according to the appeal procedure.

Signing the score-card implies acceptance of the result, except for the protest procedures expressly provided by these regulations.

17. ACCESS TO THE RACE VENUE

Access to the race venue is reserved exclusively for:

athletes;
judges;
authorized volunteers;
authorized photographers and operators;
Race Organization.

The Warm Up area may be used by Coaches during the times and according to the procedures established by the Organization.

18. LIABILITY STATEMENT

The athletes who take part in the qualifying rounds and final stages declare:

to fully accept this regulation;
to be aware of the physical activity they will carry out during the event;
to have assessed their fitness for sport;
to have a valid competitive medical certificate, where required by the applicable regulations;

to take responsibility for their own participation;
to be aware of the risks associated with sporting activity;
to comply with all instructions from the Organization, doctors, judges, and the persons responsible for safety.

The athlete accepts, within the limits permitted by law, the conditions of participation and the safety procedures established by the Organization.

For any dispute arising from participation in the event, Italian law shall apply and, within the limits permitted by the applicable regulations, the Court of Brindisi shall have jurisdiction.

19. PRIZE MONEY

Cash prizes are provided for the top three finishers in the categories:

Elite M/W
Master M/W
TEAM ELITE MM/MW
TEAM MASTER MM/WW

For the remaining Individual and Team categories, prizes and awards offered by sponsors may be provided.

The amount and the final breakdown of the prize money will be communicated by the Organization through the official channels of the competition.

20. USE OF THE IMAGE

By registering for the event, the athlete acknowledges that during the competition photos and audio-visual recordings may be taken.

The images may be used for informative, documentary and promotional purposes of the event and of the Organization's activities, within the limits and according to the conditions provided for by the applicable regulations.

The use of the images will be carried out in compliance with the current regulations regarding the right to one's image and copyright.

Any specific consent required by the regulations will be collected according to the methods indicated by the Organization.

21. PRIVACY NOTICE AND PROCESSING OF PERSONAL DATA

The processing of personal data will take place in compliance with Regulation (EU) 2016/679 (GDPR) and the applicable national legislation. Article 13 of the GDPR provides, among other information, the indication of the identity of the controller, the purposes and legal bases of the processing, the recipients and the rights of the data subject.
